

GENEVIEVE CARON
PHOTOGRAPHER

BASE: TORONTO, CANADA

When you meet Quebec-native Geneviève, she will likely give you a kiss on both cheeks. This is but a small glimpse into the stylish and sophisticated French sensibility.

Geneviève's distinctive portfolio captures her trademarks of minimalism, lightness and restraint. It is these character traits that have led her to win numerous North American photography awards, including first prize at the Canadian Lux contest in 2006, 2008, 2009 and 2013, first prize at the US APA National photo competition in the fine art category in 2009, and a prize at the US PDN Pix Digital Contest in 2009.
