

PATRICK KOLTS  
PHOTOGRAPHER

BASE: NYC, USA

Patrick grew up in the rural farm country of Iowa. Growing up there helped him to realize the beauty of life; the simple pleasures. He loves to communicate by means of strong imagery and is interested in documentary, food commercial and non-profit photography.

Patrick Kolts is a Brooklyn-based photographer with small town charm seeking the simple things in life. Growing up in rural farm country in America, he looks for beauty in any project he is involved with. He is passionate about communication through strong visuals in the areas of documentary, photojournalism, portrait, commercial and food.
